

# PRINCETON HEALTHCARE KIDS MARATHON

Presented by The Auxiliary of University Medical Center at Princeton

Monday, March 22 starts the official training/running period for the 2<sup>nd</sup> annual Princeton HealthCare KIDS MARATHON. We invite all interested children to visit our website and sign up for this exciting event: [www.princetonkidsmarathon.org](http://www.princetonkidsmarathon.org).

As you may know, this event is offered to children in grades K - 8 as a way to get fit while having fun and learning about how to help the community - we ask the children to do 26 green deeds for the environment (one for each mile) and to help get sponsors for the Outpatient Pediatric Clinic at the University Medical Center at Princeton (not required to participate) - all the while accomplishing a 26.2 mile marathon over 10 weeks. Each child will be receiving incentives every two weeks to mark the completion of 5 mile increments culminating in a final 1.2 mile fun run at Princeton University stadium on June 6<sup>th</sup>.

We have over 30 schools participating so get online and join the fun. You do not need to be a member of a "team" to sign up - It's not too late. Get out your sneakers and see you at the finish line!

Please forward to your friends who have not yet signed up and lets get MOVING!

If you know of anyone with school age children who might like to participate, please forward this on to them. And if you can help out on race day, please let me know. We need volunteers for 3 hours on Sunday morning (day of race).

To get a jump start on your miles, this Sunday from 10-4, Kids Town USA of Hamilton, NJ is having their grand opening. They have wall climbing, laser tag, an indoor play area and so much more. Visit them at [www.kidstownusa.com](http://www.kidstownusa.com).

Thanks so much.

Jennifer Mimnaugh  
Princeton Kids Marathon Co-Chair
