

PRINCETON HEALTHCARE KIDS MARATHON

Presented by The Auxiliary of University Medical Center at Princeton

Congratulations!! By now you have completed your first five miles! You should be receiving your first incentive - be sure to display it proudly. Those of you who were among the first 100 registrants will be receiving an extra special gift as a thank you from us.

We have several things to tell you about.

- We are now on Facebook and Twitter. (To find us on Facebook, search on Princeton Kids Marathon Parents Page)
- We are planning some track workouts for our participants. Look for the dates and times to be posted on Facebook and emailed to you as well.
- Check out our web site: www.princetonkidsmarathon.org: School tab - Press Releases and you will see we have the support of both the CEO of The Robert Wood Johnson Foundation and Dr. Nancy Synderman, Chief Medical Editor of NBC News.
- It is not too early to start getting your sponsors. To locate the sponsor sheet go to the web site and you will find it under fundraising. The goal is to get 10 people to sponsor you at \$1/mile for a total of \$260. All monies raised go to University Medical Center at Princeton's Outpatient Pediatric Clinic. Helpful Hint: Start by sponsoring yourself!

Everyday more and more schools are signing up. It is not too late to get your friends signed up. We are trying to reach 300 participants, so if every child gets just one friend to sign up we will be over our goal.

Please forward to your friends who have not yet registered and let's get moving!

Keep training!

Jennifer & Amy
Princeton Kids Marathon Co-Chair
