

PRINCETON HEALTHCARE KIDS MARATHON

Presented by The Auxiliary of University Medical Center at Princeton

YAH!! By now you have completed ten miles! Within these next two weeks you will have completed a $\frac{1}{2}$ marathon! You should be receiving your second incentive.. Those children who registered after the official training date, will be receiving your first and second incentives.

We have several things to tell you about.

- We currently have 220 children registered. We are still trying to reach our goal of 300. So keep telling your friends. Remember the school with the greatest participation gets a prize.
- It's official - Our first track workout is April 30th, 4:30pm at the Princeton University .Weaver Track . Come join the PU track team, coaches and other children training for the marathon. Guaranteed a great time!
- Check out our web site: www.princetonkidsmarathon.org if you have missed any pass emails.
- Remember your contribution makes a difference. To locate the sponsor sheet go to the web site and you will find it under fundraising. The goal is to get 10 people to sponsor you at \$1/mile for a total of \$260. All monies raised go to University Medical Center at Princeton's Outpatient Pediatric Clinic. Helpful Hint: Ask your neighbor!
- The Kids Marathon is a green marathon. April 22 is Earth Day. Visit our web site under the training tab you will see a list under green deeds of fun things children can do to lead a greener life style.

Please forward to your friends who have not yet registered and let's get moving!

Keep training!

Jennifer & Amy
