

PRINCETON HEALTHCARE KIDS MARATHON

Presented by The Auxiliary of University Medical Center at Princeton

Congratulations!!! By now you have completed a half-marathon! This is an amazing feat and one that should make you very proud. We are so excited by the enthusiasm of our participants. You should be receiving your incentives and displaying them proudly on your backpacks, sneakers or wrists!! More are on way the way. The last day to sign up is May 15th so let your friends know it's not too late. After May 15th, anyone who wants to run on June 6th can sign up that morning for the Fun Run which costs \$15.

Is your school in the list of the top five with the greatest participation? Maurice Hawk, Rutgers Prep, Princeton Day School, The French American School of Princeton, and Community Park are all racing to see which school will have the highest percentage of participation! It's not too late!

Thank you to all those families that made last Friday's Training Session at Princeton University a huge success! We had over 100 kids show-up. The kids had an opportunity to train with the Princeton University Girls Track Team. They did the long jump, hurdles and ran around the track several times. Fun was had by all! Look for new pictures on the web site.

We have made plans for t-shirt and bib numbers to be picked up from June 3-5, at the Princeton Running Store, Princeton NJ. You can go online to see their store hours. You will also be able to drop off your sponsorship donations at the same time. Remember, getting just 10 sponsors at \$1 per mile means you will donate \$260 to the Pediatric Clinic at The University Medical Center at Princeton.

We hope you are having fun logging your miles! If anyone has any pictures of their kids training that we can put on the web site we would love to have them. Please forward them to info@princetonkidsmarathon.org.

Thanks so much.
